

Microsoft and Dan Beard Council Partnership Merit Badges

Written by Administrator

The Cincinnati Microsoft Store and Dan Beard Council, BSA have partnered together to provide local Boy Scouts with the opportunity to earn merit badges from Microsoft! Take your Scouts to the brand new Kenwood Microsoft Store to earn either the Computer, Photography, or Cinematography Merit Badge. Scouts will complete the requirements to earn their Merit Badge (per BSA Supplies available at the online file store). Scouts are encouraged to come prepared with their merit badge worksheets (found below) and their Blue Cards ready to sign by the Microsoft Staff Merit Badge Counselor. Groups of 10-15 are ideal, with a leader please.
