The Cincinnati Microsoft Store and Dan Beard Council, BSA have partnered together to provide local Cub Scouts with the opportunity to earn belt loops from Microsoft! Take your Scouts to the brand new Microsoft Store in Kenwood to earn their Computer, Photography, or Video Games Belt Loop. Scouts will complete the requirements to earn their Belt Loop while starting on their Academics Pin. Scouts are encouraged to come prepared with their belt loop worksheets (found below). Groups of 10-15 are ideal, with a leader and additional adult supervision please. [Visit](#)
