Schedules

Cub Resident Camp is theme-oriented. Campers arrive at 10am on the first day and depart following the family campfire on the last evening. Activities will include archery and BB gun safety and marksmanship, swimming in a fifty-meter pool, nature, hiking, sports, an obstacle course, bouldering, and special games. No camp is complete without lots of boisterous singing and skits around the evening campfire. Each evening, Scouts will group together with all the boys from their program area or with the entire camp for an exciting camp-wide game.

Each den will follow a rank-based program schedule to be assigned soon after your arrival at camp. In most cases, Dens will be grouped with a Den from another Pack to reach an ideal group size. This not only makes sure there are enough participants for each activity, but also gives the boys a chance to meet new friends.

Cub Resident Camp oppers your Cub the opportunity to earn a variety of rank advancements. For a complete list of what your Cub will fulfill at camp, [click here](#) .
