Several rounds of interviews will be held through the year; the first will be in December. Every new staff member is interviewed by our camp management team to ensure that we only hire the best and to discover what area of camp might be a good fit.

After the interview, you will receive a response letter. If we have found a place for you, congratulations! Sign and return your letter of employment and we'll follow up later with important employment forms and information on staff orientation.

If you have any questions about camp staff or what it's all about, please contact Herb Packard, Camp Friedlander Camp Director at (513) 577-7700 or herb.packard@scouting.org .
