

Rental costs for all of the camp facilities are reasonable. Scouting units and chartered organizations receive membership pricing, and camping for Scouts at council camps is always free. Non-profit groups also receive a reduced rate and are encouraged to hold their events at our camps. Corporate groups will find that our facility costs are very attractive and the programs available make our camps the perfect place to hold your business event.

While the camp facilities can be rented for most of the year, there are several times, including during the summer camp season, when the camps are not available for reservations. Knowing when the camps are open to outside groups can help you plan your event and pick the best time for your outing...

Rental Costs

Nearly all the facilities at [Camp Friedlander](#) , [Cub World](#) , [Camp Craig](#) , and [Camp Michaels](#) are available for rental at reasonable costs. These fees help us keep the camp open year-round for everyone to enjoy and ensure that all the facilities are well-maintained, clean, and have the amenities that groups have come to expect.
