

 Ready to start your summer camp adventure at Camp Friedlander? These pages will guide your step-by-step through the registration process, including how to reserve your unit's campsite, the payment schedule and process, and how to make sure all your Scouts get signed up for merit badge classes and programs.

Before you get started, here are some tips to help you along the way:

- Each unit should select one adult to serve as the Summer Camp Coordinator. This person will be responsible for submitting and maintaining the unit's registration, collecting payments, and performing merit badge sign-ups.
 - If you have any questions or issues with your registration, visit the [Contact](#) page for direct contact information.
 - If you have questions about the online registration system, see the Frequently Asked Questions page.

Getting Ready

- The troop's PLC or the crew's officers make the decision to attend Camp Friedlander.
- The unit committee selects one adult to serve as the Summer Camp Coordinator. This person will be responsible for summer camp registration, fee collection, communication within the unit about summer camp, and communication with the camp and council about summer camp.
 - Each Scout and family must be made aware of the camp fee schedule. [Click here](#) to access the Dates and Fees article for more information.
 - Download and share the [Camp Guide](#) with Scouts and adults attending camp. You may find it helpful to print a copy or email a link to all participants.

Reserving Your Campsite

Once you've decided which week you want to attend and which campsite your unit will call home, make your campsite reservation right away to make sure your site is held for the 2015 camp season. Some campsites are more popular than others and will fill up quickly. The camp does its best to be as fair as possible regarding campsite reservations.

Reservations are held with the following philosophies in mind:

- First selection of campsites goes to units that attended Camp Friedlander during the previous season.
- Campsites are reserved and held in a way that allows the camp to serve as many Scouts as possible.
- The camp will endeavor to accommodate the reasonable needs of each individual unit as much as possible.

To make a reservation:

1. Contact the Dan Beard Council Outdoor Program Assistant at 513-577-7707 to determine current campsite availability. Campsite availability is constantly changing as the summer approaches, so be sure to check before making a reservation.
2. Once availability has been confirmed, secure your reservation by completing a [Campsite Reservation Form](#).
 - . Be sure to include the estimated number of Scouts and adults that will attend. These numbers will be used when your account is established in the online registration system.
3. Submit the completed form with your \$100 non-refundable campsite deposit to Camp Friedlander, Dan Beard Council, 10078 Reading Rd., Cincinnati, OH 45241. Be sure to keep a copy of the form for your records. Once both the payment and paperwork are received, the site will be reserved for you.
4. For multiple campsite reservations, check all campsites desired and submit a check for \$100 per campsite.

Registration & First Payment

After your campsite reservation is complete, your online registration account will be established. An email will be sent to the Summer Camp Coordinator noted on the Campsite Reservation form with your unit's login id. At your first login you will be prompted to create a new password. Your account will have a \$100 credit balance reflecting your campsite deposit. If the contact info for your unit's Summer Camp Coordinator changes, please notify the Outdoor Program Assistant immediately at 513-577-7707.

Please refer to the registration instructions for complete details of the process.
