

A dynamic quality of today's society is the need for learning as a lifetime activity. Commissioners should therefore view learning as an important part of their entire Scouting lives.

Unit Commissioner training has the following seven elements to be carried out in a timely manner:

1. Online Unit Commissioner Fast Start within 48 hours of being recruited. (go to My.scouting.org

Look in the General Tab)

2. Personal coaching/orientation Within two weeks, new commissioners should have an [orientation session](#)

with their District Commissioner or ADC, discuss the online Fast Start course, then cover the orientation projects listed on page 8 in the

[Commissioner Fieldbook](#)

for Unit Service.

3. [Commissioner Basic Training](#) within two months

4. Continuing education (monthly and annually)

- District Commissioner monthly meetings should have a training component.

- [College of Commissioner College](#)

- [Philmont Training Center Commissioner Week](#)

- [Arrowhead Honor](#) within one year ([Tracking sheet for Arrowhead and Commissioner Key](#)) form on Page 54 Field book

- [Commissioner Key](#) after three years

- [Distinguished Commissioner Service Award](#) (after five years) Page 57 of Fieldbook

Training for Roundtable Commissioners and staff can be found in the Roundtable section

Training for District or Council level roles should follow a similar process as Unit Commissioners with a few exceptions.

1. The manual is different [Administration of Commissioner Service](#) .Training starts on Page 19.

2. Arrowhead Honor and Commissioner Key have different requirements for [District level individuals](#) and

[Council level](#)
