---

Boy Scouts can work on their Fly Fishing Merit Badge or just learn what fly fishing is all about at the 2015 Greater Cincinnati Fly Fishing Show, hosted by the Buckeye United Fly Fishers. A room dedicated just for Scouts will provide instructional classes on fly tying, fly fishing knots, fly rod setup, and casting practice at an indoor pond. Here's the details:

- February 7th, 2015, show runs from 9am-4pm, at the Oasis Conference Center in Loveland, Ohio.
  
- Admission is free for Scouts in uniform.
  
- Registration is required; contact Steve Alexander at [spa5455@sbcglobal.net](mailto:spa5455@sbcglobal.net) for an appointment time.
  
- All Scouts should bring a completed Fly Fishing Merit Badge worksheet, a blue Merit Badge Application card, and a pair of eyeglasses or sunglasses.
  
- Fly rods and all other supplies will be provided.

For those of you who do not wish to work on the Fly Fishing Merit Badge, you are also invited to attend the Fly Show to learn about the sport.
