2014 marks the return of Peterloon, the longest running Council Jamboree in the Nation and the premier Scouting event in the region. Join us in October for action and adventure and find out if you are tougher than a Boy Scout!

Join 6,000 Scouts and Scouters and participate in over 40 activities for youth and interact with 50+ exhibitors in the midway. Cap it all off with an all new arena show featuring YOUR talents and those of our toughest Scouts.

Also new in 2014, you and your Troop can enjoy the high-octane adventure at Camp Friedlander, the region's premier Scout Camp, by camping in Sub-Camp ZERO and participating in our new curriculum programs for only the toughest amongst you. These programs will test you mentally and physically so begin preparing now!

Addition information is available at the Peterloon website: www.danbeard.org/peterloon. Download our first flyer below to share with your unit as you prepare for Peterloon.

Registration opens at 9am on April 1st with camp sites assigned on a first come, first serve basis. Early registrants will be placed closest to the Action Center at Lower Camp Craig or will have the best shot at getting into Sub-Camp ZERO at Camp Friedlander. Cost is the same as 2012: \$19 early discount, \$26 regular fee. Remember, registration closes 30-days out so make your plans today and we'll see **YOU** at Peterloon!
