

Help Scouting Grow! Every little bit helps. Click on the Donate icon to the right to help. If you've already supported this year, thank you! If you are willing/able to support again this year, your contributions would be greatly appreciated. Regardless, we ask that you please take a moment to post a facebook message and share your support with others:

[Simply copy and paste this to your facebook]

I supported local youth through my donation to the Boy Scouts of America. Join me in a great cause. Every little bit helps and goes directly to support local youth, so you too can make a difference. Help us set a new record for Scouting by contributing at www.danbeard.org/FOS.

You may also choose to support through our Centennial Eagle Award. This year marks the 100th Anniversary of the Eagle Scout, and your \$100 gift will sponsor an Eagle Kit for a local Eagle Scout this year. You will also be recognized with a limited edition Dan Beard Council Centennial Eagle Scout Award Shoulder Strip. Contribute to the Centennial Eagle here.

Your investment in Scouting plays a vital role in helping to build character and create a foundation of leadership for the youth of our community. Your Friends of Scouting dollars work to provide a year-around program of activities, leadership training, and community service that instills positive ethical and moral values in our youth. The Dan Beard Council serves over 34,000 young people and their families. Through the Scouting program they learn teamwork, participate in new and adventurous opportunities, and build positive character traits. Scouting programs like Exploring even offer a look at exciting career development opportunities. With your support, we can grow our community and build leaders for tomorrow. Check out the promo

video below and learn more about the impact of Friends of Scouting.
