This year's event will feature action and excitement at the Arena all day long! Full activity schedules will be shared at check in and posted at the Areana.

Saturday evening will feature an *Are You Tougher than a Boy Scout?* competition pitting the youth vs. the adults. Teams will compete throughout the day, and final events will be on stage at the arena show in the evening.

Following the competition, the arena show will also feature a return of the Laser Show. That's right... your favorite music paired with intense lasers projecting images in the woods and sky around CubWorld. Don't miss it.
