

## Register for Peterloon

Registration for Peterloon closed on September 14th. Due to our commitment to a high-quality and well planned event, we are unable to take additional participants for Peterloon after this date.

Visitors are welcome to attend Saturday at no charge to experience the midway, visit with their unit and Scouting friends, shop in the Trading Posts, and even enjoy the evening's Campfire Extravaganze before returning home for the night. If you missed the registration period, we highly encourage you to visit the event and form your own Peterloon memories!
