Troop Leadership Training, No. 34306A, has been rolled out to replace the Scoutmaster Junior Leader Training Kit. It is organized into three one-hour modules, which can be taught individually or all in one session. The content of the first session focuses on what a new leader must know; the second session on what a leader must be, and the third session on what a leader must do. Completing all three modules qualifies the Scout to wear the "Trained" patch under his badge of office. The new syllabus contains leadership position cards that define each position in the troop. Completion of TLT prepares the youth to attend National Youth Leadership Training.
