## The 2013 NYLT information with the addition of a 4th week!!!!!!

## WHAT is NYLT?

National Youth Leadership Training (NYLT) is an exciting, action-packed program designed to provide youth members of the Boy Scouts of America with leadership skills and experience they can use in their home unit and in other situations demanding leadership of self and others. This week long outdoor experience is set up to represent a month in the life of a typical Scout unit. Scouts will develop an understanding of group formation and development. They will also have hands-on leadership experiences.
