**While Supplies Last**

**Dan Beard Council leaders can purchase**

**gently used Heimlich Heroes'**

**Hank and Heidi Training Dolls for just \$50!**

**Sale begins 8/10/2019**

When you register your group at [HeimlichHeroes.com](http://HeimlichHeroes.com), first choose your student materials and then add a **Kimi\* Training Doll (purchase)** or **Hank (purchase)** and anything else that you'd like to get (bookmarks, patches, t-shirts, etc.).

Then use the code: **GENTLYUSED2019** at checkout. This will alert us to send out the proper doll and discount your cart by nearly \$100. You can order more than one, but they will need to be on separate orders.

These Hank and Heidi dolls will come with the needed foam food to support about 500-600 uses. Since the foam can be reused several times on both ends, you'll only need 5-6 pieces for a group of twenty-five or thirty.

\*You will receive the gently used **Heidi** doll
