

Dan Beard Council Scout Achievement Center Update

Thursday, March 20, 2020 – To ensure the health and safety of our volunteers, staff, and families, the [Dan Beard Council](#) has been transitioning our team to work more remotely. Our team is still dedicated to providing the best service for you. With this transition, we'd like to share a few updates related to the hours of the Scout Achievement Center and [Dan Beard Scout Shop](#)

- Both the Scout Achievement Center and Scout Shop are open on March 20, 2020 until 5pm. Both will be closed this Saturday, March 21, 2020.
- Starting next week, we will have limited hours where the Scout Achievement Center will be available for people to drop-off and pick-up items they may need. For next week, this will be Wednesday, March 25, 2020 from 10am-noon.
- The Scout Shop will be closed all of next week (March 23-27, 2020).

The best way to reach us is electronically, but we will be checking the mail every other day as well. Here are a few links that provide direct email to our various departments and staff:

However, our district staff and camp directors, who are already working remotely will still be available to support and assist you. Please feel free to reach out to any of those team members.
