

DBC Update Social Distancing Extension

Monday, March 30, 2020 – Based on the President’s announcement over the weekend, the Dan Beard Council, Boy Scouts of America would like to remind our Scouters and families to continue the practice of social distancing until April 30, 2020. This is an extension from the original date of April 6, 2020 that we previously shared. Also, earlier today, Monday, March 30, 2020, Ohio Governor Mike DeWine announced that all schools will be closed until May 1, 2020. Due to this extension, no in-person Scout meetings should take place at this time. Many units are meeting virtually, and Scouts are participating in virtual merit badges.
