

The following is meant to serve as guidance to help you plan how to safely conduct Scouting unit operations. These are best practices developed in consideration of updated recommendations from the State of Ohio and State of Kentucky, and in consultation with the Council Physician, to best provide for the safety of Scouts and their families. We encourage you to review these guidelines with your unit leadership to determine how to safely operate and the best path forward for your unit.

SCOUTING SAFELY RECOMMENDATIONS & PLANNING GUIDE*

* Be sure to **abide by guidance and restrictions from the state or county for your activity destination as well as your point of origin** if applicable.

* Always consult with your Chartered Organization before conducting an activity, and abide by the organizations guidelines.

* Scouting Safely Recommendations & Planning Guide is subject to change with updated COVID-19 guidance from local, state, and federal sources.

* Please contact your District Executive if you have questions or concerns regarding the safe restart of Scouting in your unit.

SCOUTING SAFELY RECOMMENDATIONS | PLANNING GUIDE

* Restart Scouting Safely Planning Guide is subject to change with updated COVID-19 guidance from local, state, and federal sources.

Updated November 1, 2020

-  1. Develop your Scout Unit's COVID-19 'Restart Scouting Safely' plan with your unit committee.
-  2. Share your plan with your Scout Unit's Chartered Organization. Discuss other requirements and guidelines they may have in place and if your Scout unit has permission to begin using their facilities/ space for meetings.

Communicate your unit's plan to your Scouting families. Be sensitive to all families and consider offering a hybrid (both in-person and virtual) program to ensure all Scouts have the opportunity to participate. Parents should only resume Scouting when they are comfortable.
-  3. Parents are highly encouraged to ask their unit leadership questions about the unit's plan to restart Scouting safely and a unit should ONLY begin meeting if social distancing can be assured.
-  4. Monitor and adjust your unit's plan to be current with any new local, state, or federal changes.

ADDITIONAL RESOURCES

 Wash hands frequently with soap and water for at least 20 seconds. Use hand sanitizer frequently. Avoid touching your face. Cover coughs or sneezes (e.g., into a tissue, or elbow). For more resources to reduce the risk of spread visit the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

 Per CDC, symptoms of COVID-19 include fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea. This list of symptoms can change as more is learned about COVID-19, and CDC updates this list on its website at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

In the event of a COVID 19 exposure:

1. Immediately isolate those exposed from other people and notify family/families. Exposed individual(s) should seek immediate medical care.
2. Report the exposure to the local county department of public health:
