- 8:30 a.m. Interfaith Service (All) at the Chapel
- 11:00 a.m. Pack and Depart

FISHING TRACK

Scouts can earn a partial on Fishing Merit Badge.

Groups of 10 or less – Education in the morning, fishing in the afternoon.

Each scout is asked to bring their own Fishing Reels if possible. (Camp Friedlander will have a limited number of rods and reels available.)

The following stations will be set up in the Fishing Track:

- Basic Tackle
- Knot Tying
- Conservation
- Safety & Casting
- Rods and Baits
- Stewardship

For the Fishing Merit Badge, the scout is required to cut and clean a fish. We will not be doing this at the camporee. The scout is also required to catch a fish, which is up to the scout and the fish. **We will be using 1/8” hot dogs for bait, which will be provided by the staff.**

There is a maximum of 50-100 scouts for this track, and they will be prioritized on a first come, first serve basis. There will be 5-6 stations that each scout will visit, each one being 30 minutes in length. There will be time in the schedule for scouts to move between the different stations. Some of the stations will cover First Aid, Knots and some other scout skills related to the fishing merit badge.

We need volunteers to help Angler's with stations and during the Fishing Derby. Contact Mike Banish or Jim Ridgeway at emails above if you would like to help.

SHOOTING TRACK

There is a maximum of 120-150 scouts for this track. Scouts will be broken into **6 groups - A-F**. There will be a safety briefing required at each shooting range before beginning. For the Shooting Track, the following activities will be included:

- Archery (at Archery Range)
 - First Aid (at Spider Shelter across road from Archery Range)
 - Tomahawks for Scouts, Mallets for Web/AOL scouts (near the Archery Range)
 - Knots and Lashings (at Handicraft)
 - Shotgun Shooting for Scouts BSA (at the Shooting Range)
 - Rifle Shooting for Scouts BSA (at the Shooting Range)
- BB gun shooting for Web/AOL (this will be at the **Sports** Field)

Web/AOL will shoot BB Guns and then go view the Rifle/Shotgun to see what they can do in Scouts BSA

Need volunteers to help with First Aid and Knots & Lashings stations. Contact Mike Banish or Mark Corsmeier at the emails above if you would like to help.

CHILI COOK-OFF

Each patrol can submit chili for the Chili Cookoff. The chili must be made at the Camporee. The patrol should not start their chili before 5pm on Saturday. This is a blind judged competition (no one knows the identity of the cook) and scores will be based on the following five characteristics: Taste, Consistency, Aroma, Color and Bite. The Chili must arrive at the Trailblazer shelter no later than 7pm. No late entries at 7pm will be accepted.

GOLDEN SPOON

The Golden Spoon Award is one of the most popular and tastiest programs in camp. This is the adults' opportunity to show off their outdoor cooking expertise. Each troop can submit one entry for this contest. Adults are asked to provide any food dish of their choosing. The food item must arrive at the Trailblazer shelter no later than 7pm. No late entries at 7pm will be accepted. The dish should be made at camp. The Judges will eat first to judge. Leftovers will be available to anyone who wants to try them. Entries will be judged on appearance, taste and creativity. Depending on the number of entries, we may do awards for different categories (main entrees, side dishes and desserts).

AWARDS

All Awards will be handed out at the campfire on Saturday night.

There will be patrol awards for best chili and the coveted Golden Spoon Award for the adults.

For the Fishing Track, the following awards will be given:

- First Fish
- Longest Fish
- Most colorful fish
- Most Number of fish
- Most accurate casting (separate station)

For the Shooting Track, the following awards will be given:

- Best Rifle score/BB Gun Score
- Best Tomahawks/Mallet Score
- Best Shotgun Score
- Best Archery Score

CAMPFIRE PROGRAM

Each patrol that wants to participate may do a skit or song. This should be submitted to the staff at the SPL / Scoutmaster meeting on Friday night. The campfire program will start promptly after the flag lowering at 8pm Saturday.

CHECK-IN

Check-in will be Friday from 5pm-9pm at the Trailblazer Shelter. Each troop will receive any remaining schedules and their campsite at that time.

CHECK-OUT

Check-out will begin following the Interfaith Service Sunday morning. Campsites must be cleaned and evaluated before check-out can be completed (Leave No Trace!). We hope to have event patches at check-out, as well as all blue cards for partials on Fishing Merit Badge.

PARKING

All cars and vehicles must remain in the parking lot. Vehicles with trailers can haul them to the closest space near their campsites (which will be assigned before the event). Contact the Campmaster at the number below to ask him to open the gate when you arrive (5-9pm Friday). The vehicles must be returned to the parking lot once the trailer is unhitched. Scouts must carry their gear that is not in the trailer.

Campmaster Phone Number: 513-659-9838

CAMPING POLICY

Campsites are available at Camp Friedlander and also nearby Camp Craig. **Troops that wish to camp on-site must reserve the sites by noting the request at registration or by contacting the Campsites Coordinator, Tom Manning, at GTManning1950@yahoo.com** . Please provide the Unit Number and number of scouts and number of adults attending/staying. Camping locations will be determined by the site coordinator and are on a first come, first served basis.

STAFFING OPPORTUNITIES

To effectively staff a Council Fall Camporee of this magnitude requires somewhere in the neighborhood of 150 Staff Members. Adults who would like to join in the fun of "making it happen" may sign up during registration or contact Mike Banish ahead of the event at the email address on page one. Please use one of these methods to register as an adult volunteer, this will make planning easier than if you wait and do it at the event.

If you have already been registered for staffing the event, we will either send you your schedule, or your SPL/Scoutmaster will receive it on Friday night at the SPL / Scoutmaster meeting.

THANK YOU FOR YOUR COOPERATION!

LOOKING FORWARD TO A GREAT FALL CAMPOREE at CAMP FRIELDANDER!
