Chapter 1 – What is Peterloon?

HISTORY

Peterloon is the longest continuously operating camporee in the history of Scouting – a Dan Beard Council tradition since 1927.

Back in 1927, 300 Scouts and leaders participated in the first camporee at Peterloon Farm, the estate of a prominent Cincinnati family, the Emerys. Over the years, the event kept the name, even after moving to other locations, such as a county park and a local airport. By 1965, Peterloon was located at the Dan Beard Scout Reservation, where it has been held ever since.

Since the mid-1950's, Peterloon has been held (mostly) every other year. Peterloon 2019 was extra special – marking the 100th anniversary of Camp Friedlander, which has served as home for thousands of Scouts throughout the region since 1919.

CALLING ALL SCOUTS TO PETERLOON

Scout Troops & Venturing Crews

Scouts BSA and Venturers of all ages are invited to attend Peterloon.

Cub Scouts will find activities designed especially for them and will be able to participate in most activities. Parents of Cub Scouts are encouraged to share in the Peterloon experience.

- All gear and personal items need to be in containers, backpacks, etc. to assist with moving them from your vehicle to the camping area by Peterloon staff.

CHECK OUT ON SUNDAY – FOR BSA & VENTURE UNITS

Process and Paperwork

- 8:30 am – Troops are encouraged to attend Religious Services
- 10:00 am – Cargo Vehicles permitted to enter Campsite Area
- 10:00 am – Campsite Inspections begin

NOTE: Only cargo vehicles with permits will be allowed to enter the Camp Area to load gear.

Vehicle Passes and Troop Trailers

Cargo vehicles are restricted from entering the Camp Area until after 10:00 am Sunday. This is for the safety of the Peterloon participants and to ensure that traffic congestion is kept to a minimum. These vehicles must remain at the Remote Parking Area otherwise.

Campsite Inspection

Your campsite will be inspected prior to final check-out. The Sub-Camp staff will inspect campsites before releasing your unit. You are to request an inspection from the staff at Sub-Camp HQ when you are ready for inspection.

More Information: You can find out more information on Leave No Trace at: scouting.org and LNT.org

All units are expected to follow the “Leave No Trace” camping guidelines. Campsites must be clean enough for Camp Rangers to be able to cut grass without having to get off tractors and remove objects. Place rocks, logs, and natural debris outside of the camping fields and three feet into the tree line or other uncut areas. All units must police their campsite and dispose of bagged trash properly. Dumpsters are provided at each Sub-Camp HQ.

Upon successful inspection, the Sub-Camp staff will provide your Troop with your Peterloon patches and ribbons.

Cub Scouts

Cub Scout campers will be provided breakfast Sunday after morning services. Cubs will depart at 12noon.

A complete First Aid station and qualified First Aid team will be on hand at the First Aid shelter at all times. This shelter is located near the entrance bridge to Cub World. All serious injuries or illnesses need to be reported to the First Aid team members. If necessary, they will transport to the local hospital.

No Scout should be taken out of camp for medical reasons without contacting the First Aid team.

Peterloon staff are equipped with radios and also can call the First Aid team. Contact Peterloon staff at the Cub World Administration Building.

Each Troop is requested to bring a First Aid kit to handle minor injuries. All prescription medications used by Scouts must be in possession of and dispensed by an adult leader.

A completed health history with a parent or guardian signature, for each Scout attending, must be in the possession of the Scoutmaster. More information is available in Appendix A of this document.

CAMPSITE RULES (SAFETY AND SANITATION)

Due to the large number of people attending Peterloon, the following safety rules will apply:

- No campfires will be permitted
- Approved cooking consists of charcoal and propane gas (no wood fires allowed in campsite)
- No liquid fuel lanterns, candles or open flames in tents
- All fuels must be stored under control of an adult (see BSA liquid fuel policy)

- No football, Frisbee, baseball or any physical contact games are to be played in the Peterloon campsite area

- No dish washing, clothes washing, or playing is permitted at water hydrants

- Please do not leave any trash on the Peterloon fields.
- Portable toilets are provided. Please keep them clean.
- The Peterloon fields are dark and unlit, have attendees bring flashlights for night trips to the portable toilets.

SECURITY

Security is provided for common areas during the day and night. Please assist the Peterloon Staff for problems and report them to any Peterloon Staff, or Sub-Camp HQ as soon as possible.

- Peterloon HQ and each Sub-Camp HQ has a portable two-way radio for staff use 24 hours a day. Security problems should be reported to the Sub-Camp or Peterloon HQ staffs.
- In addition, uniformed Explorers will patrol the Peterloon site throughout the weekend. Alert them to any security or medical emergency.
- During the daylight hours, each Sub-Camp and unit should maintain its own security by always having an adult in the campsite.
- Unit leaders are responsible to keep Scouts out of water areas, creeks, and the river at all times when not being used for an event.

FIREARMS ARE NOT PERMITTED

The BSA has specific policies regarding handguns or other firearms at Scouting activities. While various state laws have authorized individual Scouters to legally carry or conceal firearms, Scouters/parents/volunteers are not permitted to carry them while involved in Scouting activities outside of the shooting sports program.

The BSA policy in the ***Guide to Safe Scouting*** states, "Except for law enforcement officers required to carry firearms within their jurisdictions, firearms shall not be brought on camping, hiking, backpacking, or other Scouting activities except for those specifically planned for target shooting under supervision of a currently certified BSA national shooting sports director or National Rifle Association firearms instructor."

COVID POLICY

Just as our summer camps did, we will follow the current CDC guidelines found at <https://www.cdc.gov/coronavirus/2019-ncov/index.html> (for Clermont County, Ohio).
