

MEETING NIGHT

WHAT IS A MEETING NIGHT?

A Meeting Night is your typical Cub Scouts Pack or Den meeting nights. In an effort to help us broadly promote the exciting programs you offer, we're asking that every unit complete the three rank-appropriate activities below within the First 60 days of your Welcome Night. You can weave these into your other fun programs or other meetings as well. This will allow us to build excitement about the fun things a child will get to immediately experience after they sign up.

WHAT IS LAUNCH INTO SCOUTING?

Launch into Scouting is Dean Beard Council's new initiative to engage and retain our Scouts immediately upon joining. We're asking each unit to offer these fun and exciting activities during the first 60 days of their pack's fall program.

WHY USE LAUNCH INTO SCOUTING?

This effort is about enhancing a family's first impression by supporting you and your pack's planning and creating a great first experience for your new and returning Scouts. By implementing this initiative, we'll also be able to promote the fun activities a new Scout will enjoy on the recruitment materials used by all of our packs.

Boy's Honor	Fun on the Run	Mountain Lion
Games Tigers Play	My Tiger Jungle	Tigers in the Wild
Call of the Wild	Running with the Pack	Paws on the Path

HOW DO I RUN A MEETING NIGHT?
