Dear Partnering Adult,

For the last two (2) sessions of the Cub Scout meeting the Pack has been working on the following required adventures:

Tigers (1<sup>st</sup> graders) – Tigers in the Wild

Wolf (2<sup>nd</sup> graders) – Paws on the Path

Bears (3<sup>rd</sup> graders) – Fur, Feathers, and Ferns

Webelos (4<sup>th</sup> & 5<sup>th</sup> graders) – Webelos Walkabout

The Tigers, Wolves, and Bears are required to do a one (1) mile hike and the Webelos are required to have some leadership role during this hike. The scouts have drawn up their hike plan, learned the Outdoor Code and Leave no Trace Pledge, talked about what to wear on a hike, and made personal first aid kits for hiking. Next week we will cover the buddy system and what you do if you get separated from the pack. We are sure the boys are ready for this urban one (1) mile hike.

The hike will happen on \_\_\_\_\_ during the next meeting.

(Date of the hike)

If you do NOT want your scout to do this hike with the pack, please keep them home for the next meeting. The scout can still meet these requirements, but YOU will be responsible for meeting all of the requirements. Your program leader can help you to figure out how.

***Sending your scout to the next meeting is consenting to the urban one (1) mile hike.***

Sincerely,

Program Leader
